## Sponsoring Zones

Are you interested in a Sponsoring Zone? Please contact us. We will respond individually to your wishes and requirements.

Nothing in it?

Contact us and together we will find a suitable way to present your company at the 2026 Stuttgart International Symposium in the best possible way. [Christa Kolz](#) will be happy to help you.

All prices are subject to the value added tax. The contract is coming about only after confirmation of the organizer. The application does not justify any claim to the desired services. By signing the application form, you accept the terms of exhibitions.

\_\_\_\_\_  
Place, date

\_\_\_\_\_  
Company stamp and legally binding signature

## TERMS OF EXHIBITION

1. The **place of the exhibition** will be Look 21, Foyer Gartengeschoss, Türlenstraße 2, 70191 Stuttgart.
2. The exhibit is **organized** by the Forschungsinstitut für Kraftfahrwesen und Fahrzeugmotoren Stuttgart FKFS.
3. The exhibition takes place for the **duration** of the 2026 Stuttgart International Symposium on Automotive and Powertrain Technology on 8 July 2026, 08:00 – 18:30 and 9 July 2026, 08:00 – 17:45.
4. The **registration** is effected by submitting the filled-in and duly signed order form. With this order the exhibitor declares his contract offer which is binding and accepts the terms of the exhibition stated by the organizer of the event. After **receipt of the order** the exhibitor will receive a confirmation of the registration and the exhibition documents.
5. The organizer is in charge of the **stand distribution**. The exhibitor cannot demand the admission and assignment of a particular booth.
6. **Cancellation:** The following cancellation fees and deadlines apply: from registration until 3 months before the symposium starts 50%, until 2 months before the symposium starts 75%. With short-term cancellation 100% will be billed.
7. The booth material is **rented material**. It is only provided for the agreed time and purpose. The exhibitor has to pay for any **damages to the rented goods** caused by the exhibitor or his assistants, e.g. by nailing, glueing or drilling.
8. In case of slightly negligent violations of obligations the **liability of the organizer** is limited to the foreseeable and immediate average damages typical to this kind of contract. This also applies to slightly negligent violations of obligations caused by the organizer's legal representatives or assistants. The organizer does not take liability for slight negligence of non-essential contractual obligations toward companies. For the loss or damage of the exhibitor's own goods, which remain under custody of the exhibitor, the organizer is only liable in case of intent or gross negligence. It is recommended to insure the rented goods for the period of the event.
9. The **limitations of liability** do not apply for personal or health injuries allocable to the organizer or for the loss of life the exhibitor or his assistants.
10. The obligation to follow the regulations laid down by the **fire, construction, and industry authorities**, the rules of the **Accident Prevention and Insurance Association**, and all regulations regarding the **environmental protection** arises from the exhibition contract with the organizer.
11. **Liability of the exhibitor:** The exhibitor exempts the organizer from all claims by third parties arising from damages caused by the exhibitor – regardless of negligence or intent.
12. **Payment:** After the symposium, the exhibitor will receive a consolidated invoice covering all services booked for the stand as well as any ticket orders. The invoice amount shall be payable net within 14 days of the invoice date.
