2027 FKFS Conference on Vehicle Aerodynamics and Thermal Management

13 – 14 October 2027 | Leinfelden-Echterdingen

FKFS
RESEARCH IN MOTION.

Terms of Exhibition

1. The place of the exhibition will be Filderhalle, Bahnhofstr. 61, 70771 Leinfelden-Echterdingen.
2. The exhibit is organized by the Forschungsinstitut für Kraftfahrwesen und Fahrzeugmotoren Stuttgart FKFS.
3. The exhibition takes place for the duration of the FKFS Conference on Vehicle Aerodynamics and Thermal Management on October 13, 2027, 8:00 – 16:00 and on October 14, 2027, 8:30 – 15:30.
4. The registration is effected by submitting the filled-in and duly signed order form. With this order the exhibitor declares his contract offer which is binding and accepts the terms of the exhibition stated by the organizer of the event. After receipt of the order the exhibitor will receive a confirmation of the registration and the exhibition documents.
5. The organizer is in charge of the stand distribution. The exhibitor cannot demand the admission and assignment of a particular booth.
6. Cancellation: The following cancellation fees and deadlines apply: from cancellation until 3 months before the conference starts 50%, until 2 months before the symposium starts 75%. With short-term cancellation 100% will be billed.
7. The exhibition goods shall be listed in the registration form. This information serves as a basis for the admission of the goods.
8. The booth material is rented material. It is only provided for the agreed time and purpose. The exhibitor has to pay for any damages to the rented goods caused by the exhibitor or his assistants, e.g. by nailing, glueing or drilling.
9. For the security of the stands the room will be closed by a closing service of the Filderhalle on October 12, 2027 and after the end of the event on October 13, 2027. An additional guard service on part of the FKFS is not provided.
10. In case of slightly negligent violations of obligations the liability of the organizer is limited to the foreseeable and immediate average damages typical to this kind of contract. This also applies to slightly negligent violations of obligations caused by the organizer´s legal representatives or assistants. The organizer does not take liability for slight negligence of non-essential contractual obligations toward companies. For the loss or damage of the exhibitor´s own goods, which remain under custody of the exhibitor, the organizer is only liable in case of intent or gross negligence. It is recommended to insure the rented goods for the period of the event.
11. The limitations of liability do not apply for personal or health injuries allocable to the organizer or for the loss of life the exhibitor or his assistants.
12. The obligation to follow the regulations laid down by the fire, construction, and industry authorities, the rules of the Accident Prevention and Insurance Association, and all regulations regarding the environmental protection arises from the exhibition contract with the organizer.
13. Liability of the exhibitor: The exhibitor exempts the organizer from all claims by third parties arising from damages caused by the exhibitor – regardless of negligence or intent.
14. Payment: The invoice amount shall be payable net within 14 days of the invoice date.
